To Whom It May Concern:

Franc D'Ambrosio is a performing artist of the highest caliber who has also dedicated himself to the teaching and encouragement of young artists.

I have witnessed his work at close quarters in Lucca, Italy at the summer opera program run by the University of Cincinnati Conservatory of Music, and I know the esteem and affection in which he is held by his students. Since Franc is now willing to devote more of his time to teaching, I believe he will be ever increasingly available to the future of young artists. I do hope you will be able to take advantage of his availability.

Should you wish to speak to me about Franc D'Ambrosio's work please call me at 212.686.0716.
